49 49 50 TET 50 ... 120 120 FS Azul Amarello FS 1 1 ... The following Failstack Charts are with the "Durability" option selected, during enhancement. Tuvala Accessory Failstacks: Tuvala Armor & Weapons: I want to thank Kazzouler and Loxfer, who sent me the following data on Blackstar Failstacks Blackstar has similar Enhancement difficulty to all other weapons. Are you new to Enhancement? But notice that TET and PEN is more brutal. Green accessories have a higher chance of success with PRI than yellow or blue grade, but then after that, the rates are the same. 69 69 by BigDMG Failstack Charts have been a part of Black Desert Online since the very beginning, with all sorts of player theories and tin foil about the best Failstacks to use for greater success during Enhancement. Blue bound accessories are easier to enhance than Green accessories. (You can't exceed a 90% Enhancement success chance, unless you use a safe method like "Force-enhance.") Softcaps Revealed: Softcaps are Failstacks that you should avoid going over. ... 44 44 45 TET TRI 45 ... It has been reported to me by a user, that BlackStar III to IV on 137 FS gives 7.50%. 44 44 45 TET 45 ...

Armor (White, Blue, & Yellow Grade) Weapons (White, Blue, & Yellow Grade) & Life Mastery Tools I want to thank Kazzouler and Loxfer, who sent me the following data on Blackstar Failstacks Blackstar has similar Enhancement difficulty to all other weapons. Please read our Enhancement Guide before getting started. Durability makes the Enhancement Chance harder, but decreases the amount of Durability used. 18 18 19 +10 19 20 DUO 20 ... Ouch! Silver Embroidered Life Skills Clothes Gold & Blue Accessories (Unbound) Green Weapons & Sub-Weapons Life Mastery rings, necklaces, belts, or earrings do not use Failstacks, because they use Black Gems. (Or the likelihood that the Enhancement, with the given Failstack, will succeed.) Soft Cap = A Failstack higher than this, will not make as much difference. 54 54 55 55 ... 14 14 15 PRI 15 ... 25 25 26 DUO DUO 26 ... Tuvala Gear is obtainable via Season Characters and shows a higher than normal Enhancement Chance. Failstack Chart Highlights: 90% Hardcaps Revealed: No matter how many Failstacks you have, all unsafe gear enhancement has at least a 10% chance of failure. 59 59 60 TET 60 ... This is available for armor and weapons up to +15, +15 and TET armor and weapons have the same starting Enhancement Chance of 2%. 40 40 41 TET 41 ... Thanks to u/TheRealMcMasher for sharing much of the following data! The percentages in the following Failstack Charts show the Enhancement Chance. (You get diminishing returns.) Armor & Weapons: 70% Enhancement Chance is the Softcap. Thanks! Tuvala Armor & Weapons: **use 20 Refined Magical Blackstones for TRI if you have them. 30 30 31 TRI 31 32 32 33 TRI 33 ... 25 25 26 +13 26 ... Blue Ship Parts Blue Ship Part Failstacks (Thanks to theinsaneussie#6906 for posting this in Discord!) Life Mastery rings, necklaces, belts, or earrings do not use Failstacks, because they use Black Gems. Enhancement Success rate percentages were revealed in a Patch on January 16th, 2019. 32 32 33 33 ... Enhancement success or failure does not change the Failstack count for Life Mastery Accessories. In the mean time, the data below should help. Life Mastery Clothes do not use Failstacks, because they use Black Gems. Tuvala Accessory Failstacks: Tuvala Armor & Weapons: Rebath has the same difficulty as Gold and Blue grade armor, which is slightly more difficult than Green grade armor. This chart shows Blackstar Weapon. Tuvala Gear is obtainable via Season Characters and shows a higher than normal Enhancement Chance. Now the fog has lifted, and everyone can view Enhancement Chance in the Enhancement window. Enhancement success or failure does not change the Failstack count for Life Mastery Clothes. Blackstar Armor is very similar and has the same numbers in later enhancement tiers. 54 54 55 PEN 55 ... 27 27 28 DUO 28 ...
